## WORK EXPERIENCE

### Oral & Maxillofacial Surgery - Dental Assistant

Southhaven, MS • 01/2013 - present

- Assisted during surgery by keeping the surgical area clear with water and suction while handing appropriate instruments and medicine when needed to the doctor.
- Recorded patients' health histories, documented current symptoms and pulled up records from prior visits.

- Cleaned and sanitized dental instruments and equipment, prepared treatment rooms for patients while maintaining health and safety practices.
